

## 2. Meeting at Istanbul/Turkey 10<sup>th</sup> till 11<sup>th</sup> of April 2014

All partners come together for their second meeting at Istanbul/Turkey. The Marmara University Research and Training Hospital had invited the project team to the Bosphorus.

### Meeting Activities

#### *First day*

We got picked-up by a shuttle at the hotel and brought through the incredible traffic to the Marmara Hospital situated on the Asian side of Istanbul. After reporting our findings in national literature we did workshops about key topics just as how to evaluate the piloting of tools and collect examples of best-practices. After the meeting we had dinner in a fish restaurant.

#### *Second day*

Finishing all project works the day before we visited all together the historic center of Istanbul with e.g. Hagia Sophia, Cisterna Basilica and the big bazar.

### Meeting Outcomes

- Report on literature review about compassion
- Template for evaluation of piloting tools
- Template for collecting best-practices examples
