

3. Meeting at Gera/Germany 26th till 27th of June 2014

For the third meeting all partners came to Gera, situated at the East of Germany. The social welfare organization Volkssolidarität Gera had invited the whole project team to meet in Germany.

Meeting Activities

First day

The professional exchange started with a short visit of the dementia assisted living house "3Birken" and the kindergarten "Spatzennest". Both are facilities of the Volkssolidarität Gera which works with all generations. Then the official meeting started with presentations of the piloting of the "Compassion Tool", which is the first created tool. After that we spoke about the first examples of best-practices regarding compassionate care and did a workshop to get in touch with courage, our second tool-issue. After the meeting we visit the city park of Gera and did a barbecue in park.

Second day

The second day begun with a visit to the headquarter of the Volkssolidarität Gera with day care center, social care station, special care bathroom, assisted living and administration. Then we meet about status quo of tasks, dissemination channels like website, blog, facebook and Twitter. After the meeting we visit together the historic center of Gera and the special cavern system "Höhler".

Meeting Outcomes

- Piloting of the "Compassion Tool"
- Evaluation of first piloting
- Examples of best-practices
- Definitions of courage and its importance in care
